Dr Yasser Mehrez FRCA FFPMRCA MSc Consultant in Pain Management

EXPERT'S DETAILS:

Professional qualifications: Dr. Mehrez received his specialist training in Pain Medicine, Anaesthesia, and Intensive Care at the London School of Anaesthesia, obtaining his Certificate of Completion of Specialist Training (CCT) in 2006.

Consultant appointments: Dr. Mehrez began his role as a Consultant in Pain Medicine, Anaesthesia, and Intensive Care 16 years ago. He currently serves as the clinical lead for Chronic Pain Management at Milton Keynes University Hospital NHS Trust and maintains a well-established private practice at The Saxon Clinic, BMI Hospital, and Spire Harpenden Hospital.

He has been a Consultant in Pain Medicine since 2007, currently practicing at Milton Keynes University Hospital NHS Trust, with additional private practice locations including 10 Harley Street, Three Shires Hospital, and Spire Harpenden Hospital.

As a senior leader within the NHS, Dr. Mehrez has facilitated the commissioning of chronic pain services and provided clinical guidance for other practitioners. Collaborating with spinal surgeons, he has developed a specialized Spinal Clinic, and beyond the hospital setting, he has established a community-based Multidisciplinary Pain Clinic.

Dr. Mehrez has expertise in treating neuropathic pain, pelvic pain, complex regional pain syndrome (CRPS), whiplash-associated disorder (WAD), and chronic widespread pain.

Service development: Actively working with CCGs and NHS management teams, Dr. Mehrez has established pathways for chronic musculoskeletal conditions, facilitating commissioning for chronic pain services, and offering clinical guidance for clinicians. He founded a community-based multidisciplinary pain clinic and co-developed a joint specialty Spinal Clinic in collaboration with spinal surgeons.

Interests & clinical experience: Practicing as a Consultant in Anaesthesia and Pain Management since 2007, Dr. Mehrez has gained extensive experience in spinal pain and trauma at Milton Keynes. His areas of interest and expertise include spinal and musculoskeletal pain, neuropathic pain, pelvic pain, CRPS, WAD, and chronic widespread pain.

He is a member of the NHS joint Spinal and Pain Clinic, which he established over two years ago. Dr. Mehrez leads a multidisciplinary pain management team comprising doctors, specialist nurses, physiotherapists, and a clinical psychologist, delivering a comprehensive range of treatments from interventional pain procedures to pain management programs.

Professional presentations and educational roles: Dr. Mehrez has delivered talks and lectures to healthcare professionals on both regional and national levels. He serves as a Senior Lecturer at the Medical School, Buckingham University, is a Faculty Tutor for the Faculty of Pain Medicine at the Royal College of Anaesthetists and supervises the training of Oxford Medical Pain trainees at Milton Keynes University Hospital.

Membership of professional bodies:

- International Association for Study of Pain
- British Pain Society
- Neuromodulation Society of the UK and Ireland
- The Faculty of Pain Medicine
- The Royal College of Anaesthetists
- The General Medical Council (GMC)
